Deboard and it's a pleasant ride to Chateau Vaux-le-Vicomte, where you'll enjoy an audio guide visit. Afterwards you'll reach the small town of Melun where our boat will dock for the night on the ancient village island. Melun, born as a Gallic town was then a Roman mutatio. ### From Moret-sur-Loing to Nemours

**Highlights** Medieval town of Moret-sur-Loing, Loing River biking, Nemours.

Spend some time this morning wandering the streets of quaint Moret-Sur-Loing, the fortified medieval town that inspired Impressionist painters including Monet and British artist Alfred Sisley. Our ride today takes us along the Loing River to another artist village. From here, you can choose to take a longer ride or continue along the river to reach our boat, docked in tiny medieval Nemours. Visit town and its medieval castle or, for a different take on the region's (pre)history, enjoy a visit to the interesting prehistorical museum, which houses rich archaeological collections from the Paleolithic period through the end of the Iron Age, excavated in the Île-de-France region.

### Medieval Castles and Towns

**Highlights** Medieval castles and towns

The Loing River was "improved" in the early 18th Century in an effort to increase visits from merchants. We'll leapfrog the canal today as we pedal through forested areas and rural countryside to reach a private castle open to us for a visit and lunch. After lunch, we'll keep pedaling to the impressive fortified medieval town of Chateau Landon. A quick downhill brings us to our boat, docked on the Loing Canal in a tranquil spot for the night. After dinner, we'll head back to Chateau-Landon for an engaging guided walk to learn more about the historical importance of this town.

### Montargis

**Highlights** Bourdelle Sculpture Garden, Ferrières Abbey, Montargis

An optional 13 km ride this morning takes you to a unique art spot in a nearby town. This garden museum honors influential and prolific 19th Century sculptor Antoine Bourdelle by hosting 58 of his bronze statues in a lovely garden. Keep pedaling to the small medieval town of Ferrières with its impressive Benedictine Abbey, tiny alleyways and historic wash houses. Take a break and wander through town before continuing south to arrive in Montargis, the second largest town of the region and a fitting ending destination to our barge trip as its medieval center is crisscrossed with canals and rivers. Our home for the next two nights! Enjoy dinner in town tonight.

**INCLUDED****WHAT'S INCLUDED**

When you book a tour with ExperiencePlus! our goal is to ensure your only focus each day is to hop on your bike and explore scenic cycling routes in new destinations. Inclusions may differ depending on which tour style you pick but all ExperiencePlus! tours include what we believe are the most important aspects of a bike tour.

- On all our guided tours, you can expect superb tour leaders who are fun and multilingual, bi-cultural experts, and cycling enthusiasts. They will support you and help you navigate confidently on and off the road.
- High quality bikes selected for the terrain you are cycling on and personal bike fitting to ensure comfortable cycling.
- Thoughtfully designed itineraries and routes that take advantage of stunning cycling destinations. Plus, all the logistics are taken care of.

**PRE-TRIP SUPPORT**

- Bicycle training programs designed specifically for your tour and fitness level.
- Planning tips on what to pack, hotel recommendations and other helpful details from our Travel Planning Pages: <https://www.experienceplus.com/travel-planning/>
- A gift of your choice (cycling jerseys, socks, or a t-shirt) as our way of saying thanks for choosing EP!
- \*Traveler services including assistance booking extra nights at the tour starting and ending hotels. (\*Gravel Explorer and Self-Guided tour styles excluded)
- See "What's Included" for tour-specific inclusions and be sure to check the "Keep in mind" on the tour itinerary.

**BICYCLES**

For a full list of what's included with your bike see: <https://www.experienceplus.com/what-to-expect/our-bikes/>. If you would like to bring your own pedals and shoes we recommend doing so. On Gravel Explorer and Self-guided tours we include a GPS device on all bikes.

**NAVIGATING AND VAN SUPPORT:**

On a guided tour, each day you'll receive a daily briefing. On a self-guided tour you'll receive a comprehensive orientation and bike fit on the first or second morning of your trip. About 14 days prior to your tour, we will email you an access code for a RideWithGPS Experience.

RideWithGPS Experiences, is the platform we use to distribute information on each tour day's activities, meals and ride.

Daily information on the RWGPS Experience includes important phone numbers, hotel information and interesting historical and cultural information. On Classic, Bike and Boat and Expedition tours we also navigate using our signature chalk dust arrows. Our arrows make navigating very easy—you may never need to look at the map. On Gravel Explorer tours the terrain and destinations are not always conducive to using chalk arrows so we ride as a group or you can navigate on your own with the GPS tracks.

On a guided tour you will have a support van providing water and snack resupply, mechanical assistance, a lift for tired cyclists, and luggage transfers. On some itineraries the van will not be able to follow sections of the route that stray from the road for example onto cycling paths. On a self-guided tour you will have luggage transfers that will transport your bags from one hotel to the other.

**Need More Miles?** On many days it is possible to add miles to the day, just talk to your tour leader about your options or ask when you are planning your self-guided trip.

**Need Fewer Miles?** On a guided tour, the support van is available to offer snacks, encouragement, a lift over the next hill, or to the next hotel. On a self-guided tour we recommend you review the tour level to make sure you can ride the full distance.

**ON A GUIDED TOUR: TIPPING YOUR TOUR LEADERS**

If you feel your tour leader team has demonstrated great expertise and service, common practice within the travel industry is to tip. Tipping is voluntary and greatly appreciated. Should you decide to leave a tip, as a guideline, we suggest 5-8% of the tour cost per traveler for the entire tour leader team. You can give the tip to any member of the tour leader team, as they share it evenly. In order to avoid social tensions, we encourage you to tip as individuals and not as a group. If you feel your tour leaders did not quite meet your expectations, please let us know.

\*Tips are included in Expedition pricing and not expected on self-guided tours.

**PHOTOS:**

By reserving space on tour, you agree that ExperiencePlus! may use, re-use and reproduce any images, photos or videos sent to us, or that are taken by our guides or other travelers, in any medium, including but not limited to print, electronic media, or Internet, free of charge and without your right to inspection. If you do not want us to use any images of you, you must inform us or your tour leader in writing at the start of the tour.

**LEVELS**

We know that travelers have different cycling abilities and preferences for the number of miles, elevation gain, and type of terrain they want on a bicycle tour. We have rated each day of our tours on a scale of 1-5. Our Tour Level's are an average of the day rating on tour. We recommend looking at the daily summary on the PDF and Website Itinerary to see details about each day's ride.

**LEVEL 1 - 1.5**

Level 1 - 1.5 days will be mostly flat and the distance will rarely exceed 50 km. Level 1 - 1.5 tours are suitable for beginner cyclists, those traveling by bicycle for the first time, or multi-generational groups with a desire for a nice and easy bike tour with plenty of opportunities to stop and enjoy the scenery.

- **Average daily mileage:** 20 - 50 km. (12-30 miles) Be sure to check the day by day itinerary description for the tour you are considering for specific mileages.
- **Gain:** 0-400 M (0-1200 ft)
